

SNEHA REDDY

Software Engineer

+91 98765 43210 | sneha.reddy@example.com | Hyderabad, India | github.com/snehareddy | leetcode.com/snehareddy

EDUCATION

IIIT Hyderabad <i>B.Tech, Computer Science</i>	2022 – 2026 <i>CGPA 8.9</i>
Narayana Junior College <i>Class XII (TSBIE)</i>	2020 – 2022 <i>96.4%</i>

EXPERIENCE

Fieldnote <i>Software Engineering Intern</i>	Remote <i>May 2025 – Jul 2025</i>
- Built a CSV import feature in Django, now used by 30+ client teams. - Cut a slow report query from 9 s to 0.8 s with PostgreSQL indexes.	

PROJECTS

Chatterbox <i>React, Node.js, Socket.IO</i>	github.com/snehareddy/chatterbox
Real-time chat with rooms and read receipts, handling 200 concurrent users in load tests.	
PathFinder <i>C++, Qt</i>	github.com/snehareddy/pathfinder
Visualises Dijkstra, A* and BFS on editable grids; used in a first-year algorithms lab.	

SKILLS

Languages: C++, Java, Python, JavaScript, SQL
Web: React, Node.js, Express, Django
Coursework: Data Structures, Algorithms, DBMS, Operating Systems, Computer Networks
Competitive: LeetCode 600+ problems (1850), Codeforces Specialist
